

ATTACHMENT D: SITE LOCATION

TOLLESON CIVIC CENTER PUBLIC ART LOCATIONS

- N NORTH ENTRY WALL (HIGH)**
This wall will be finished in smooth EIFS ready for an inspired mural that will be seen from Van Buren and marks the north entry to the facility.
- W WEST WALL**
This wall will be finished in smooth EIFS ready for an inspired mural that will be seen from the corner of 91st Ave and Van Buren.
- S SOUTH WALL**
This wall will be finished in smooth EIFS ready for an inspired mural that will be seen from the south parking lot. This will be a beacon to the council chamber and the south entry to the Civic Center.
- L SUNLIGHT WASHED LOBBY WALL (HIGH)**
This wall immediately greets the community as they enter from the north. It will be smooth finished drywall.
